

August 2012

Dear Volunteer:

The service you will provide to frail individuals in Abilene as a Meals on Wheels volunteer is deeply appreciated. I want to take this opportunity to thank you for the many miles you will travel and all of the hours you will contribute to help make this one of the best programs in the entire state.

Some other home delivered meal programs do not have a staff member visit the people they serve . . . or volunteers who report back when someone does not answer the door or needs something. We make a home visit before adding each person to the program and try to visit everyone at least once every year. That is hardly enough, and we depend on your contact a great deal!

It is important that you report back when you do not get an answer to your knock on the door. The person inside may be hurt or ill. They may be in the hospital or out of town and failed to notify us. If they are frequently absent, we may need to determine if they still need meals.

If you find someone with a medical emergency, please call 911 to request medical assistance, and then call the Meals on Wheels office. If you find someone who needs assistance other than for a medical emergency, please call the Meals on Wheels office at 672-5050, and we will try to find the appropriate agency or individual to call.

Let us know when a recipient needs extra food. We have a pantry of shelf stable items to share with them. Please feel free to take a few magazines when you deliver meals. Many of those we serve cannot afford magazines and enjoy reading. If someone is interested in getting books from the Abilene Public Library, let us know. We can sign them up for the Books on Wheels program. Call if you smell gas strongly when you deliver meals, or if someone needs a space heater, blanket, smoke detector or electric fan. Please convey all needs to us, and we will try to see that they are met.

Some of our recipients may have cancer, hepatitis, AIDS, etc. If you do not want to deliver meals to clients with certain types of health problems, such as these, please let us know.

Sincerely,

Betty L. Bradley, LBSW
Executive Director

FACT SHEET FOR VOLUNTEERS

1. WHAT IS MEALS ON WHEELS?

Since 1975 Meals on Wheels Plus, a local non-profit organization, has been providing home delivered meals to Abilene's at risk adults. A hot noon meal is delivered to seniors and to adults with one or more disabilities who are unable to prepare balanced meals for themselves on a daily basis.

2. HOW DID THE PROGRAM GET STARTED?

In May 1971, the Community Action Program started a one year pilot project using Emergency Food and Medical Service funds to provide a home delivered meal for 25 to 30 low income homebound elderly persons. Meals were purchased from a cooking school. In April 1972, Church Women United took over the program and began serving the eight most needy persons who had been receiving meals. The meals were picked up from three separate locations and delivered by volunteers. After three years, Church Women United realized that the resources of the entire community were needed to meet the growing number of requests for a home delivered meal.

Articles of Incorporation were filed in April 1975 and Meals on Wheels Plus, Inc. was formed. In May 1975, the first 25 member board of directors met and took over Abilene's home delivered meal program from Church Women United. There were approximately 80 people receiving meals. In July 1975, Betty L. Bradley became the Executive Director as a full-time volunteer. Office space and our own kitchen were made available in late 1977 by the University Baptist Church. For the next ten years, Meals on Wheels Plus operated from rent free space in the church basement. When the program outgrew the church kitchen, University Church of Christ made the property at the corner of North 10th and Mesquite available for construction of a kitchen and office complex. On March 16, 1987, the first meals were served from the kitchen located at 949 Mesquite Street. We served an average of 358 meals per day at that time.

By 2000, the program was serving more than 650 meals out of the kitchen built to accommodate up to 600 meals per day. The Meals on Wheels Board of Directors obtained ownership of the entire 900 block of Plum Street and built a new, larger kitchen and office facility across the alley from the Mesquite property. On June 15, 2004, the first meals were served from the new debt-free facility at 717 North 10th Street. The program had grown to serving more than 900 meals per day.

3. WHAT MEALS ARE SERVED?

A hot lunch is served Monday through Friday. Breakfast for the next day is also delivered on Tuesday, Wednesday and Friday to a limited number of recipients who live alone. Each menu is designed for everyone, including those who are diabetic, or someone who needs a low sodium/low fat diet. In addition, Low Potassium, Soft and Pureed diets are available.

4. WHO COOKS THE MEALS?

Meals are prepared by Meals on Wheels cooks in our own building, with menus approved by a Registered Dietician. The cooks are paid, but we also use volunteers in the kitchen.

5. WHAT IS SERVED?

Each recipient receives a hot family style noon meal. This consists of a meat entree, a vegetable, a starch, bread, 2% milk or calcium fortified orange juice and dessert.

6. WHO RECEIVES THE MEALS?

While many Meals on Wheels recipients are age 65 or older, the program is also available for younger adults who have disabilities. Meals can be served on a long-term basis or for a week or two while someone recovers from a hospital stay or accident. Meals on Wheels serves people who live in the greater Abilene, Texas area regardless of their financial situation.

7. WHEN ARE MEALS DELIVERED?

Meals are delivered each Monday through Friday between 11:00 a.m. and 1:00 p.m. The program is closed on Thanksgiving Day, Christmas Day and New Year's Day with a special holiday meal being served the day before each major holiday.

8. WHERE ARE THE MEALS DELIVERED?

Meals are delivered to homebound individuals living in the Abilene, Hamby, Hawley, Hodges and Potosi area.

9. WHO PAYS FOR THE MEALS?

Meals are paid for by recipient donations as well as contributions from interested individuals, church groups of all faiths, businesses and service clubs. Title XX and Title XIX funds available through the Texas Department of Aging & Disability Services provide about 84% of the cost of meals for those who meet strict financial and need criteria. The remainder of the cost is provided by community contributions. Meals on Wheels is not a United Way Agency and not an affiliate of a national organization.

10. WHO DELIVERS THE MEALS?

Meals are delivered by volunteer deliverers in their own vehicles at their own expense. Approximately 390 different volunteers are needed on a weekly basis to ensure meal delivery. In addition to a nutritious meal being provided, you supply a friendly visit and peace of mind by checking on many people who have few other visitors.

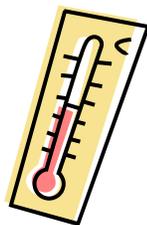

INSTRUCTIONS

GENERAL:

1. Each volunteer completes a "Volunteer Registration" form to be turned in to the Volunteer Coordinator. Please bring a copy of proof of insurance on all vehicles you will be using to deliver meals as well as your driver's license. We will make a copy for your file.
2. Please let us know if you cannot deliver on your scheduled day, preferably the day before, so we can arrange for a substitute driver.
3. Try to arrive at Meals on Wheels as close as possible to the pick-up time indicated on your route sheet. Because of the large number of routes, we have staggered pick up times. If you will be here more than 15 minutes past your assigned pick-up time, please call the office, as the route will be sent out with a staff member or substitute driver.
4. Print your name, as well as the names of those delivering meals with you, on the sign-in sheet. Provide your cell phone number, if you are carrying one with you, in case we need to contact you with a message. The sign-in sheets are at the official greeter desk. If you are a RSVP volunteer or college student, please record your volunteer hours on a special form kept on a clipboard at the desk. The Greeter will give you a copy of your route sheet for the day.

5. Select your route card, according to your route number, from the container near the serving window, and place it in the card holder. The card will go in the holder on your side of any other cards already in place.
6. Bags containing the drink and cold food items are color coded. Burgundy and turquoise bags are in the refrigerated units. Other colors will be given to you with your meals from the kitchen. Obtain the correct number of bags of each color and ice them down in a cooler. Put a lid on the cooler.
7. Breakfast is all in one bag. It is a cold white bag. Obtain the correct number of bags from the refrigerated unit marked Breakfast Bags. All diets get the same breakfast. Ice the bags down in a cooler. **Only deliver breakfast to clients if breakfast is listed for them on the route sheet.**
8. **We are required by the public health department to keep the milk and other cold food items at 41 degrees or lower. It is very important to use a layer of ice both under and over the bags and use a lid on the cooler.** We have purchased coolers for you to use. The cooler and boxes are stored in the box room located to the right of the entrance. When you are no longer able to deliver meals, please return the cooler for someone else to use.

9. Please line the hot meal carrier with new plastic bags. They will help keep the meals hot if you fold the top of the bags over the meals. For sanitation, please use new bags each time you deliver meals. Meals should not be stacked higher than four trays. If you need to stack trays higher, you may use a layer of cardboard between the trays.
10. When your route number is called, pick up the tub of trays from the serving window. Move the tub of trays to a table, and transfer them into the hot meal carrier. If you do not get the correct meals, please check with the Volunteer Coordinator to straighten out the problem.

11. **DO NOT OPEN THE MEAL TRAYS UNTIL YOU ARE IN THE RECIPIENT'S HOME.** IF A RECIPIENT NEEDS ASSISTANCE OPENING CONTAINERS, PLEASE WASH YOUR HANDS WITH SOAP AND WATER.
12. The Volunteer Coordinator will be glad to help with any questions you may have. Help is available to carry out your meals, or you may pull your vehicle up in the driveway near the doors to load your meals.
13. If possible, put coolers with food in the interior of your vehicle rather than in the trunk. Keep lids tightly on coolers and leave the bags in the coolers until arriving at recipient's home to insure that the cold food items and milk are kept at 41 degrees Fahrenheit.

DELIVERY INFORMATION:

1. The lunch trays for recipients who are on a Low Potassium, Soft or Puree Diet will be marked with the type of diet on the tray lid. **It is very important that all diets are delivered to the correct individuals.** Clients will receive different colored bags depending on their diet and drink choice.
2. Please double check street signs and house numbers as you approach a home. It is easy to try to deliver to the wrong house. Knock loudly or ring the doorbell upon arriving at a home. Allow the recipients plenty of time to reach the door as most are elderly, move slowly and have some hearing loss.
3. Please do not leave immediately if you do not get an answer. Instead, try the door--if unlocked, step just inside calling the recipient's name. If still no answer, continue calling as you carefully check the entire house for the recipient. Also check the back yard. **IF A RECIPIENT IS FOUND INJURED, CALL 911 AND THEN CALL THE MEALS ON WHEELS OFFICE AT 672-5050. Do not pick up anyone who has fallen.** You may aggravate the injury.

4. If the door is locked, check all other doors noting whether screens are locked from the inside. This would indicate the recipients' presence in the house. If you still do not get an answer, use a cell phone if you have one or go to the next stop on your route and ask if you can use the telephone. Call the recipient you did not find as he/she may hear a telephone better than a knock at the door. If you still cannot reach them, call the Meals on Wheels office at **672-5050** to report their absence.
5. Once the recipient answers the door, check to see if they need you to carry the meal inside and set it where they will eat lunch. If they need help opening the bag, drink carton and tray, please wash your hands with soap and water. Report to Meals on Wheels, any significant change in recipient's physical condition and/or living conditions.
6. **DO NOT leave the meals outside the home or with a neighbor.** You do not have to return the meal, but you must report any recipient not home to receive their meal. The meal should be handed directly to the recipient. If someone else answers the door, please ask for the recipient so that you can say hello and give them their meal.
7. We are **NOT** allowed to leave the meal in the home if the recipient or a responsible party is not there. Please notify Meals on Wheels immediately if the previous day's meal has not been eaten and whether or not it has been touched or moved from the location it was placed the day before. If a previous day's meal is found uneaten, please remove it from the home. It could contain spoiled food and because of poor vision and sense of smell, a recipient might accidentally eat a spoiled meal and get very sick.
8. If you are unable to deliver a meal, call the Meals on Wheels office at 672-5050. Report the name of the person who did not respond to your knock at the door and what the situation was at the home. You will have an extra meal to give to someone else on the route. Anyone on a regular diet may have a special diet. You may leave an extra meal with a recipient to enjoy as an evening meal, give the extra meal to someone you know who would enjoy it or eat it yourself. If you return it to Meals on Wheels we will have to throw it away.

9. Please remember to maintain the confidentiality of all the recipients as required by law. This includes the recipient's name, address, telephone number, age, financial and health situations. Do not share information with family or friends in a manner that identifies the recipient. **Route sheets should be destroyed after you finish delivering the route each day.** We have a paper shredder at Meals on Wheels that you can use if you choose to return to the kitchen after delivering meals.
10. Please call the Meals on Wheels office at **672-5050** if any recipient expresses a need for other assistance or their health situation seems to have deteriorated. It is most important that you notify the Meals on Wheels office if you suspect abuse, neglect or exploitation of the recipients.
