Betty Bradley to retire after five decades as Executive Director of Meals on Wheels Plus

Reed Stafford
Board Chairman

ABILENE, Texas – Betty L. Bradley, the sole Executive Director in the history of Meals on Wheels Plus in Abilene, will retire after directing one of Abilene's most respected and effective non-profit organizations for 51 years.

Bradley directs daily operations for a team of 700 volunteers that prepare and deliver 1,600 meals each weekday in Abilene and the nearby communities of Anson, Aspermont, Ballinger, Eula, Hamby, Hamlin, Hawley, Hodges, Lawn, Ovalo, Potosi, Rowena, Tuscola and Winters.

"Betty has been an institution in Abilene," Reed Stafford of Abilene, Chairman of the Board of Directors, said. "After five decades of commitment and leadership, we honor not only her years of service but also the profound difference she has made in the lives of the people we serve each day".

"Fifty years of leadership is more than a career; it's a legacy of serving others, and we thank Betty for the immeasurable impact she has made on our community," Stafford added. "We look forward to seeing her legacy continue for another 50 years."

Ellie Hollander, President and CEO of Meals on Wheels America, said Bradley's retirement marks the close of an extraordinary era for Meals on Wheels Plus of Abilene and the Meals on Wheels national network. "Betty built a lasting legacy of compassion, leadership and service that has touched countless lives in the Abilene community and inspired leaders across the country," Hollander added. "Her pioneering impact on the Meals on Wheels movement will continue to be felt for generations to come."

Jenny Young, Chief Membership Officer and Chief of Staff at Meals on Wheels America, said "Be like Betty" is a catch phrase at the national office in Arlington, Va. "Betty's legacy has us all in awe at Meals on Wheels America," Young said. "We wish her well as she transitions into retirement."

"I have been blessed to be able to play a small role in Meals on Wheels over the past 51 years," Bradley said. "I have met so many wonderful volunteers, donors, board members, staff members and community members who contributed to the program's success."

She added, "It has been an honor to be part of Meals on Wheels as it worked to drive away hunger for thousands of frail, at-risk individuals. To see friendships form between caring volunteers delivering a hot meal and homebound individuals who won't see anyone else all day has been a blessing."

A native of Colorado, Bradley began her tenure as the unpaid volunteer leader of Meals on Wheels at its official beginning in 1975 after it started as a pilot program of the Community Action Program serving 85 clients. She directed the daily operations of an organization that celebrated one million meals served in 1989, moved into its new building in 2004, and marked 50 years of service last year with more than nine million meals served.

Bradley was a charter member and officer of Meals on Wheels Association of Texas, one of three founding members of Food Bank of West Central Texas, and an active member of St. Paul United Methodist Church. Her career with Meals on Wheels began in 1973 when she registered with Abilene's Church Women United to deliver meals.

Betty L. Bradley
Executive Director

Today volunteers in Meals on Wheels Plus deliver meals on more than 100 routes in Abilene and 14 other communities.

Stafford said a search will be conducted for a new executive director "to ensure the continuation of the success of the program."

Supporting Senior Health and Independence while Saving Money

For more than 50 years, Meals on Wheels has helped address "at risk adults" hunger and isolation through a trusted public-private partnership.

Senior malnutrition

By providing nutritious meals, friendly visits, and regular wellness checks, local programs help "**at risk adults**" remain healthier, safer, and independent in their own homes.

Hunger and isolation can increase the risk of serious health concerns, including high blood pressure, heart disease, diabetes, and depression. Meals on Wheels is proven to reduce healthcare utilization, prevent nursing home admissions, and generate substantial healthcare cost savings.

Older adult falls

However, growing demand, rising food and operating costs, and funding shortfalls have left many individuals waiting for services.

Increased funding is essential to help Meals on Wheels Plus meet the growing need, keep pace with rising costs, and continue

Social isolation

providing services that improve "**at risk adults**" health while saving taxpayer dollars.

We can serve a senior for an entire year
for roughly the same cost as a day in the hospital or 12 in a long-term care facility

STAYING SAFE *in the* TEXAS SUMMER HEAT

Hot weather can be dangerous, especially for older adults. Follow these tips to stay cool, healthy, and safe all summer long.

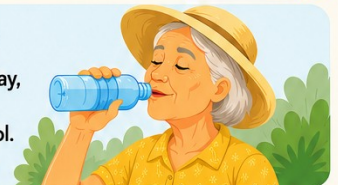

1 KNOW THE SIGNS

of heat exhaustion and heat stroke. Seek medical help right away if symptoms include confusion, fainting, or a high body temperature.

2 STAY HYDRATED

Drink water throughout the day, even if you don't feel thirsty. Avoid sugary drinks and alcohol. Carry a water bottle with you.

3 CHECK ON OTHERS

Check on family, friends, and neighbors—especially those who live alone. A quick call or visit can make a big difference.

4 KEEP PETS SAFE

Provide plenty of fresh water and shade. Never leave pets in a parked car, even for a few minutes. Walk pets early in the morning or later in the evening.

5 FIND COOLING & RESOURCES

Visit local libraries, malls, or community centers for air-conditioned relief. Cooling centers are available during extreme heat. Call 2-1-1 or visit 211texas.org for locations and additional resources in your area.

*Keeping Companions
Together, One Pet at a Time—*

 Please Help Support Our
Pet Support Program 

For many Meals on Wheels Plus clients, pets are much more than animals—they are beloved companions, loyal friends, and a source of comfort and companionship. Unfortunately, many seniors and at-risk individuals struggle to provide the care their pets need due to limited finances or physical limitations.

Our Pet Support Program was created to help bridge that gap. Designed to help clients care for their cherished pets by providing assistance with grooming, nail trimming, wellness checks, basic veterinary care, and aid for sick or injured animals. These services help keep pets healthy, safe, and at home with the people they love most.

Today, the need is greater than ever. We are seeing more requests for assistance than our current funding can support. Without additional help, some pets may go without needed care, and some seniors may face the heartbreaking possibility of being unable to care for the companion they love so dearly.

By supporting the Pet Support Program, you help ensure that seniors and homebound adults can continue to enjoy the companionship, comfort, and unconditional love that their pets provide every day.

Roses for Our Wonderful Volunteers and Staff

I would like to give roses to the wonderful volunteers and staff at Meals on Wheels Plus.

The food is always good, but my greatest appreciation is for the caring people who come to my door. They are some of the kindest and most loving people I could ever meet—even the substitute volunteers who come from time to time.

Miss Judy is the best! She is a wonderful friend to both me and my little dog and always takes the time to talk with us. The young ladies from the group home are also our special friends and are always so sweet and kind.

I am also thankful for Ms. Renee, Mr. Richie, and Mr. Joseph. Mr. Richie and Mr. Joseph take my dog, Itty Bitty, to the doctor and are always so kind and personable. Miss Barbara and Richie, who trim our dogs' nails are amazing, as well.

Ms LaTonya is always sweet and helpful and Maria is amazing with Pet Food on Wheels. Of course we can't not forget, Ms Betty who is the glue that holds everything together!

Without all of these special people working together, I would not be able to make it through each day.

Thank you for making daily life so much better for me and Itty Bitty, my emotional support animal, precious fur baby, and companion.

Thank you, Meals on Wheels Plus, for the wonderful work you do - always."

SERVING ABILENE & 14 RURAL COMMUNITIES

Delivering more than a meal — providing care, connection, and hope.

Meals on Wheels Plus, Inc.

More Than a Meal ♡ A KNOCK AT THE DOOR CAN CHANGE A DAY

Every weekday from 10:30 am to 1:30 pm, Meals on Wheels Plus volunteers deliver more than a hot meal—they deliver friendship, compassion, and a vital wellness check to seniors throughout our community.

VOLUNTEERS NEEDED NOW!

For many of our clients, the volunteer delivering their meal may be the only person they see that day. A friendly smile, a brief conversation, and a simple "How are you today?" can help combat loneliness and remind someone that they are cared for and not forgotten.

DELIVERING MORE THAN A MEAL

NOURISHMENT

Every meal provides balanced nutrition to help seniors stay healthy and strong.

CONNECTION

Every visit brings friendly conversation and helps reduce isolation and loneliness.

WELLNESS CHECK

Every delivery includes a quick check-in to help ensure the well-being of our clients.

COMMUNITY

Every volunteer helps build a stronger, caring community for us all.

Monday-Friday during noon hour

Most routes take about one hour

Great opportunity for families, businesses, churches, and civic groups

Help provide meals, wellness checks, and friendly visits

A TYPICAL DELIVERY ROUTE

Most routes take about one hour.

Deliveries are made Monday through Friday 10:30 am to 1:30 pm.

Routes are local and simple to follow.

You can volunteer once a week, a couple days a week, or as substitute.

A GREAT OPPORTUNITY FOR FAMILIES!

Summer is a wonderful time to volunteer together. Delivering meals teaches children and grandchildren the value of kindness, service, and giving back. ♡
